Whereas by an Act of Assembly made the 23d day Sept. 1667 it is provided that in time of war or danger, all ships + vessels shall ride in such places as the Gov. shall direct, and in regard by all the advices lately received from England it is expected that a warr will very speedily be declared. His excellency + the hon. Council propose to the H of B + desire their opinion whether it will not be convenient for preventing any surprize from an enemy that all ships + vessels within this Country be ordered to ride at these following places viz't — in Pagan Creek as far as they can conveniently

War

In 1667 the fleet of merchant ships from Bristol which had left with the 50 sail was suddenly attacked at the mouth of the Eby. R. by four Dutch men of war. Twenty of the ves. were destroyed. The damage would have been greater had not Maj Gen. Bennett in command of the the South side Cos. arrived on the scene & driven off the invaders.

In 1671 the Dutch Campaign. blood was revenged by the English.

Quit Rents.

Settlers Rents of Ct. wm Byrd in the years of 1663-65 — are interesting as showing the amount which each County was expected to pay in the form of quit rents as well as the area of the Co. at the time. The requirement was one Shilling for for every fifty Acres. This rem was collected in Tobacco in spite of the occasional efforts on the part of the Eng. Gov to enforce payment in Coin.
